

# Licking County Retired Teachers Association - New Teacher Grants

Licking County Retired Teachers Association is offering \$200 teacher grants to teachers in their first five (5) years of teaching employed in any school in Licking County, regardless of educational discipline. Grants are intended to be used to support the purchase of materials that would otherwise not be possible because of a lack of personal/school funds. All grant applications need the support of the building principal.

Teachers interested in filing a grant application need to complete the following.

Name \_\_\_\_\_ Email \_\_\_\_\_

Address \_\_\_\_\_

Phones: \_\_\_\_\_ (home) \_\_\_\_\_ (cell) \_\_\_\_\_ (school)

Name of school/district \_\_\_\_\_ Grade level \_\_\_\_\_

Description of materials needed and how will you use them (please limit the explanation to 150 words if possible - use back if necessary)

---

---

---

---

---

---

---

---

Budget (provide an approximate budget of how the \$200 will be spent. No part can be used for your salary. Receipts may be requested upon completion of the project.)

_____	_____
_____	_____
_____	_____

How will these funds/materials help you as a new teacher?

---

---

LCRTA requires attendance at a summer luncheon of Licking County Retired Teachers to explain the success of this program. The teacher can share at either the June or August meetings. These are usually the second Wednesday of the month. Check our website for exact dates. *It would be wonderful if you brought a recently/about to retire teacher with you!*
